PECB Certified ISO 37001 Foundation

Become acquainted with the best practices of Anti-bribery Management Systems (ABMS) based on ISO 37001

Why should you attend?

ISO 37001 Foundation training enables you to learn the basic elements to implement and manage an Anti-bribery Management System (ABMS) as specified in ISO 37001. During this training course, you will be able to understand the different modules of an ABMS, including ABMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO 37001 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.

Who should attend?
